DEAL

Developing Entrepreneurial Abilities Laboratory

1st TC: 27 June - 2 July 2016, Tipperary, Ireland (www.trys.ie)

2nd TC: 29 August - 04 September 2016, Florina, Greece (www.oenef.eu)

Description of the project:

Project DEAL – Developing Entrepreneurial Abilities Laboratory aims to gather youth workers, your leaders and youngsters with entrepreneurial spirit in order to empower young people and motivate them to find their passion in life and turn it into action. We aim to create a safe learning environment where young people will be able to learn and experiment with ideas, methods, skills and tools bringing them closer to innovative entrepreneurship. Special emphasis will be given on developing their key competences. The project aims to ensure an entrepreneurial approach to solving social and environmental problems and to encourage and support the development of a new generation of social entrepreneurs.

The learning objectives of this project are:

- To boost entrepreneurial mindsets of young people;
- To equip youngsters out of the market with new competences and increase the quality of youth work;
- To raise awareness for the importance of innovation and creativity in the development of their skills;
- To empower participants to act as multipliers of good practices and disseminate relevant information and skills to involved stakeholders;
- To explore possibilities for future cooperation among participants and partner organizations
- To become inspired social entrepreneur or change-maker;

The DEAL consists of two training events:
