

TRAINING COURSE "INTEGRATION OF NON- FORMAL EDUCATION METHODS to YOUTH WORKS for REFUGEES"

MARMARİS, TURKEY | 09 APRİL-17 APRİL 2018

Hosting Organization: Tepebasi Social Assistance and Solidarity Foundation(Turkey)

Aplicant Organisation: Cirque et arts en liberté (Belgium)

Description of Project

Mainly of the refugee population is young people aged between 13-30 and when it is looked up the percentage of young population (aged 13-30), it is around %60 and in Turkey the counts get more and more to the %80 of all refugee population. Most of those young people had to be educated to prevent their marginalization in future and included in the society. Towards those issues, with parallelly to School Education, there should be opportunities for young refugees to participate education processes in Youth Sector. Although, The youth workers are not competent enough to provide educational opportunities in EU and neighbouring countries such Turkey and Macedonia. With the project, we would like to carry out this project to address the problem of inclusion of refugees in non-formal education context in youth work and create synergies among the participating organizations to future cooperation for the inclusive education methods. Thus, the project proposal aims to strengthen the competences of youth workers and youth leaders in finding proper approaches for fostering the inclusion of refugees and also marginalized young people with migration background. More specifically the projects' objectives are; - To strengthen the understanding of inclusion and its challenges for young refugees and young people with migration background – To create strategies on youth work context to improve the quality of youth services which are develop for refugees and young people with migration background - To explore the role of youth work in inclusion strategies on educational services - To create and implement local activities on inclusion of young refugees and young people with migration background - To strengthen ties between people and organisations engaged in the field of youth work The project will be implemented between the dates 09.04.2018 – 17.04.2018 (including arrival and departure days) with the participation of 10 countries and 28 participants and 4 trainers. The methodology of the training will be based on the non-formal education methods such role-plays, case studies and group work and there will be aspace for participants' to try out their own methods.

Our project " Integration of Non-formal Education Methods to Youth Works for Refugees" will take place in Marmaris, Turkey between 09 - 17 April 2018. There exist 10 countries which are Belgium, Turkey, Sweden, Romania, Greece, Former Yugoslav Republic of Macedonia , Norway, Lithuania, Poland and Germany in our Project.
